

## Karasu'da Pazar Var

Karasu'da pazar var  
Nazmiye'mde nazar var

Çok sallanma Nazmiye'm  
Çok nazlanma Nazmiye'm  
Senden daha güzel var

Trenden mi indiniz  
Vapurla mı bindiniz  
Taksiyle mi geldiniz  
Birer birer baş olmaz  
Teker teker hiç olmaz  
Hepiniz hoş geldiniz

In Karasu there is a market  
In my verse there is an evil eye

My verse gets to the point  
It doesn't play games  
It has more beauty than you

Did you get off the train?  
Did you get on the ferry?  
Did you come by taxi?  
Singularly it cannot be  
Exclusively one cannot have  
Welcome to all of you
